### A Heart Warming Senior's Story

*This letter was sent to the principal's office of a middle school in Safety Harbor, Florida. It was to thank the school for sponsoring a luncheon for the elderly. The letter was written by a lady who won a new radio as a door prize.*

Dear Safety Harbor Middle School:

God bless you for the beautiful radio won at your recent senior citizens luncheon. I am 84 years old and live at the Safety Harbor Assisted Home for the Aged. All of my family has passed away I am all alone now and its nice to know that someone is thinking of me. My roommate is 95 and always had her own radio, but before I received one, she would never let me listen to hers, even when she was napping. "The other day her radio fell off the night stand and broke into pieces. It was awful and she was in tears. She asked if she could listen to mine, and I told her to kiss my ass." Thank you for that opportunity.
