Fei Hu – The Story of The Flying Tigers

Followed by discussion with Filmmakers and Special Guests

China Harbor 2040 Westlake Ave. N Seattle, WA (206)286-1688

Mention the name of the Flying Tigers and it conjures up images of the most colorful and heroic combat units in World War Two. Though their history was brief, the Flying Tigers established a brilliant and heroic war record second to none. Retelling the dramatic story of a small volunteer air force working with the Chinese people to defend their nation, while revolutionizing tactics of aerial combat, is long overdue.

Frank Christopher, Frank Boring and Mei-Ling Hsu have produced a ninety minute documentary film, *Fei Hu – The story of the Flying Tigers*, examines the individual responses of Chinese and Americans to the Japanese invasion of China, and highlights the cooperation between the two peoples that allowed this fighting group to function so effectively. *Fei Hu – The Story of the Flying Tigers* has been accepted for national PBS broadcast on February 22, 1999 to be part of PBS's programming initiative, *Best of History on PBS*, which highlights the best history programming that PBS has to offer, on Monday nights. We are asking for your support to help us to complete this historic documentary. All contributions are tax deductible. Most importantly, your contribution insures that we will honor a small group of men and women who lifted the spirits of the people of the United States and China during the darkest days of World War Two.

Please join us for this memorable evening of tribute and remembrance

為紀念飛虎隊成立五十週年而拍攝的《飛虎傳》(Fei Hu - The Story of the Flying Tiger)是一個富有意義的歷史記錄片。當年，中國的昆明由於戰略地位重要，慘遭日機連連的轟炸。幸好有一群美國志願軍來到了戰亂的昆明，與華人同心協力組成飛虎隊，英勇地對抗日軍的空襲。至今，雖然飛虎已成歷史，但是中美兩個迥異文化於當時締結的深厚情誼仍然是值得今世學習效法的。

《飛虎傳》係由美國艾美獎得主Frank Christopher、劇作家Frank Boring以及華人吳美玲共同製作而成。該片以中日戰爭為歷史背景，訪問當年飛虎隊的中美飛行員，將第二次世界大戰的中國慘況與亂世的異國情誼呈現給世人。

《飛虎傳》已經排定於一九九九年二月二十二日在全美各地PBS教育電視台的《歷史精華系列》(History's Best on PBS)推出。但是，由於攝製該片時，自世界各地的圖書館、博物館採用了許多需要付版權費的珍貴資料，所以必須籌到足夠的經費，影片才能順利推出。為了使多年的努力不致於化為泡影，飛虎製作小組遂決定在虎年向您展開飛虎的邀約。
